Vidmantas Tūtlys

Vytauto 3-37, Kaunas, Lithuania

Work + 370 37 327827 (23)

Mobile: + 370 65557685

v.tutlys@smf.vdu.lt

Nationality Lithuanian

Date of birth 03-07-1974

Gender male

Position

Work experience

01-09-2005 - present **Lecturer / assist. prof. / professor at the Academy of Education, Vytautas Magnus University, senior researcher and the Institute of Education Research,**
Vytautas Magnus University
K. Donelaičio 58, LT-44248 Kaunas, Lithuania

- Lecturing
- Management and execution of the research and training projects
- Researches in education, VET, human resources development

University education and scientific research

2002-2005 **Researcher**
Vytautas Magnus University
K. Donelaičio 58, LT-44248 Kaunas, Lithuania

- Project management
- Execution of researches in VET

University education and scientific research

national and international projects Coordinator of the international projects in the field of vocational training and qualifications:

- Leonardo da Vinci Transfer of Innovation project "Modeling of the regional networks of vocational education and training in Lithuania" . Project No. LLP-LdV-TOI-2007-LT-0003. Implementation period: 2007-2009. Project web-site: <http://www.vdu.lt/litvetnet>
- Lifelong Learning Programme Key Activity 1 EQF testing project "European Qualifications Framework and the comparability of sectoral qualifications between countries / SECCOMPAT. Implementation period: 2008-2010. Project web-site: <http://www.vdu.lt/seccompat>.
- Lifelong Learning Programme Key Activity 1 EQF testing project "EQF implementation: impact of national qualifications systems' processes" No. 167227-LLP-1-2009-1-LT-KA1-KA1EQF. Implementation period: 2010-2012.

- EU Lifelong Learning Programme Transfer of Innovations Project "Development of Apprenticeship in the VET system of Lithuania" (DEVAPPRENT) No. DE/10/LLP-LdV/Toi/147320
- EU Lifelong Learning Programme Transfer of Innovations Project "Matching Frames" Nr. DE/10/LLP-LdV/TOI/147308/2010-1-DE2-LEO05-05350
- ESF funded research project under the coordination of the Lithuanian Science Council "Design of the platform for development of key competences of adults", 2013 June - 2015 August. Role in the project: project coordinator. Other responsibilities: participation in executing quantitative study on the key competence needs of adults in the regions of Lithuania (preparation of questionnaires, statistical analysis of the findings).

Researcher in the ESF funded project "Creation of the National System of Qualifications in Lithuania".

Implementation period: 2006-2008. Project web-site: <http://www.lnks.lt>

Executed functions:

1. Researcher in the working group responsible for the research of the current state of qualifications in Lithuania.
 2. Researcher in the working group which developed the "Concept of the National System of Qualifications of Lithuania".
 3. Expert in the group which developed the level descriptors of the National Qualifications Framework of Lithuania.
 4. Expert in the group which designed the methodology of the research of professional activities and the methodology for the designing of occupational standards.
 5. Expert in the group which designed sectoral-occupational standards for the sectors of construction and hospitality.
- Researcher in the project of the International Labour Office concerning the comparative study of the implementation and development of the National Qualifications Frameworks implemented in 2009. The research work consisted of the critical analysis of the NQF designing and implementation process in Lithuania and preparation of the case study report.
 - Short-term expert in the project funded by the European Commission and implemented by the IBF
 - "Social partnership in VET of the Republic of Kazakhstan". The period: June 2009-March 2010.
 - Short-term expert in the ETF project for the designing of the Law on Vocational Education and Training in the Republic of Azerbaijan. The period: June 2011-November 2011.
 - Expert in the national project carried by the Centre for Development of VET and Qualifications of Lithuania 'Implementation of the sectoral-occupational standards and national modular VET curricula'. The period of the involvement in this project: beginning of 2011 – end of 2013. Tasks and responsibilities: preparation of the methodology for the designing of occupational standards, training of the experts responsible for the design of occupational standards.
 - Participation in the expert round table "How to regulate the National Qualification Framework, and National Qualification Authority in the framework of the Law on Education" organised by the European Training Foundation in cooperation with the Council of Europe, and the Committee for Education and Science of the Verhovna Rada (the Ukrainian Parliament) on the 25-26th of June 2014.
 - Short-term expert in the project of the European Training Foundation on the comparative analysis of the institutional development of the national systems of qualifications. November 2014-July 2015. Preparation of the comparative study of the development of institutional and legal arrangements of the national systems of qualifications in 10 countries (Lithuania, Estonia, France, Ireland, Tunisia, Georgia, Ukraine, Kosovo, Malaysia, Hong-Kong).

Education and training

- 2001-2005 **Doctor degree (PhD) in social sciences – science of education.**
Knowledge, skills and abilities in research of sciences of education
Vytautas Magnus University
University
8th level of the European Qualifications Framework
- 09/1996-06/1998 **Master degree in social sciences – science of education.**
Knowledge, skills and abilities in applied field of sciences of education
Vytautas Magnus University
University
- 09/1992-06/1996 **Bachelor degree in humanities (history)**
Knowledge and skills in applied fields of humanities (history)
Vytautas Magnus University
University

Personal skills and competences

Mother tongue(s) **Lithuanian**

Other language(s)
