

Curriculum Vitae

Name, surname	Bernardas Vazonis
Date of Birth	25 August 1980
Address	Pilenu 2-5, Akademija, Kaunas district
Phone number	+370 612 35761
E-mail	bernardasv@gmail.com

Education

2010	Winner of Kazimieras Meskauskas Prize for young scientists-economists established by the Division of the Humanities and Social Sciences of the Lithuanian Academy of Science
2005 – 2009	Kaunas University of Technology, Faculty of Economics and Management – Ph.D. in Economics
2002 – 2004	Lithuanian University of Agriculture, Faculty of Economics and Management – Master’s Degree in Economics
2002	Winner of the Prize established by the Lithuanian Academy of Science for Students’ Research at Higher Education Institutions
1998 – 2002	Lithuanian University of Agriculture, Faculty of Economics and Management – Bachelor’s Degree in Economics
1986 – 1998	Noreikiskes secondary school

Professional experience

January 2019 to present	Vice-dean for studies at the Faculty of Bioeconomy Development at Vytautas Magnus University
January 2019 to present	Associate Professor at Vytautas Magnus University, Institute of Bioeconomy Research
2010 – 2018	Vice-dean for studies at the Faculty of Economics and Management at Aleksandras Stulginskis University
2012 – 2018	Associate Professor at ASU, Institute of Economics, Accounting and Finance
From February 2011	Associate Professor at the ASU Department of Economics
2007 – 2010	Lecturer at the Department of Economics of the Lithuanian University of Agriculture
2008	Assistant at the Department of Management of Kaunas University of Technology
2004 – 2007	Assistant at the Department of Economics of the Lithuanian University of Agriculture
2005 – 2006	Assistant at the Accounting Department of Alytus College
2004 – 2005	Assistant at the Department of Social Sciences and Informatics of the Lithuanian Veterinary Academy

Professional experience related to organisation of study process, implementation of study projects, preparation of study documents, development and assessment of study programmes

From February 2010	Vice Dean of Studies at the Faculty of Economics and Management of Aleksandras Stulginskis University (ASU)
Currently	The head of the Study Committee at Aleksandras Stulginskis university Senate
Currently	The head of the committee of I cycle study programme “Applied Economics and Business Analysis” and II cycle study programme “Agricultural Economics”
2017	Supervisor of BOVA University Network Intensive Master Courses “Sustainable Agriculture for Rural Development” at Aleksandras Stulginskis University
2016-2017 m.	Member of the group of II cycle study programme „Agri-food business management“ creation. The program will be executed jointly with the Estonian Life Sciences University and the Latvian University of Agriculture.
2014-2015	Supervisor of BOVA University Network Intensive Master Courses “Sustainable Agriculture for Rural Development” at Aleksandras Stulginskis University
2012–2013	Implementer (expert) of the project “Development of the System of Formalization of Informally Acquired Competences in Higher Education Institutions” (No. VP1-2.1-ŠMM-04-K-03-003) at Aleksandras Stulginskis University. Author of “Description of the Procedures for Assessment and Recognition of Informal and Non-Formal Learning Achievements by Learning Outcomes”
2013	Head of the working group on preparation of I cycle study programme “Applied Economics and Business Analysis” – <i>programme accredited</i>
2012–2013	Member of self-evaluation teams on cycle I and cycle II study programmes “Agricultural Business Management”. Author of section “Study process and its evaluation” in the self-evaluation descriptions
2012–2013	Coordinator of reorganisation of the first cycle study programmes into 3.5-year duration programmes at the ASU Faculty of Economics and Management
2012–2013	Member of the committees of study programmes “Agricultural Economics”, “Agricultural Business Management”, “Logistics and Commerce”
2012	Supervisor of BOVA University Network Intensive Master Courses “Economics and Management of Rural Development” at Aleksandras Stulginskis University
2010–2011	Team lead in preparation of I cycle study programme “Rural Development Management” (as part of implementation of measure VP1-2.2-ŠMM-07-K “Improvement of Study Quality, Increasing Internationalization” within the framework of the Operational Programme for the Development of Human Resources 2007–2013 Priority 2 “Lifelong Learning”) – <i>programme accredited</i>
2010-2012	Implementer of the project “Development of Organisational and Methodological Prerequisites for Education of Entrepreneurship Skills in Students by Means of Practical Business Teaching Model” (No. VP1-2.2-ŠMM-07-K-01-095) at Aleksandras Stulginskis University under the measure VP1-2.2-ŠMM-07-K “Improvement of Study Quality, Increasing Internationalization” within the framework of the Operational Programme for the Development of Human Resources 2007–2013 Priority 2 “Lifelong learning”

- 2012–2013 In-house expert at Aleksandras Stulginskis University for review and improvement of study programmes. Study programmes reviewed:
- first study cycle programme “Transport Engineering” (2012)
 - first study cycle programme “Biology and Selection of Plants” (2012)
 - first study cycle programme “Landscape Design and Management” (2012)
 - first study cycle programme “Environmental Studies” (2013)
 - second study cycle programme “Transport Engineering” (2013)
- 2010–2011 Coordinator of reorganisation of the first cycle study programmes at the ASU Faculty of Economics and Management for compliance with ECTS system requirements

Social activity

- From 2011 Aleksandras Stulginskis University Senate member, Studies Committee Deputy Chair
- From 2017 Member of Marijampole College Academic Council
- 2010-2013 Member of the Studies Committee at the ASU Economics and Management Faculty
- 2004 – 2012 Coordinator at the Students’ Science Club at the Lithuanian University of Agriculture
- 2002 – 2004 Chair at the Students’ Science Club at the Lithuanian University of Agriculture

Internship in foreign research and academic institutions

- 2018 02 10 – 2018 02 16 Improving leadership and management in educational establishments (Limassol, Cyprus).
- 2018 06 19 – 2018 06 23 Improving management of the scientific activity and study process at China Agricultural University.
- 2018 05 06 – 2018 05 12 Collaboration in international studies, Cairo University.
- 2017 05 18 - 2017 05 28 International study fair in Lagos (Nigeria).
- 2017 03 27 - 2017 03 31 Improving the management of the study process at Odisee University College (Belgium).
- 2016 05 02 – 2016 05 06 Development of the second cycle joint study program "Agri-food business management" at the Estonian University of Life Sciences in Tartu.
- 2015 05 11 - 2015 05 16 Study internationalization and the development of scientific projects at Helsinki University (Finland).
- 2014 09 21 – 2014 09 26 Study internationalization and the development of scientific projects at University of Humboldt (Germany).
- 2014 06 09 – 2014 06 14 IROICA conference at Ghent and Leuven Universities (Belgium).
- 2011 04 18 – 2011 04 21 Practice Enterprise of the Faculty of Telecommunication and e-Business at Turku University of Applied Sciences (Finland).

2005 03 28 – 2005 04 07 International science project in Spain “Multifunctional agriculture”. Organized by Cordoba University (Spain) and Ghent University (Belgium). Certificate granted.

Research activity

Participation in research:

1. Implementer of the Horizon 2020, PLAID (Peer to peer learning: Accessing Innovation Through Demonstration) tender “National Inventories of Demonstration Farms in Lithuania”, 2017.
2. Implementer of applied research study “Modelling Agricultural and Rural Development Policy”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – Assoc. Prof. Dr. V. Vitunskiene. – 2006.
3. Implementer of applied research study “Preparation of Feasibility Study on Improvement of the System for Preparation of Specialists and Qualified Workers in Agriculture and Countryside”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – Assoc. Prof. Dr. A. Radzevicius. – 2006.
4. Implementer of applied research study “Improvement of Fruit and Vegetable Market Regulation by Identifying National Regulatory Measures for Acceleration of Establishment of Producers’ Organisations, including Non-Producing Market Actors”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – Prof. Dr. J. Ramanauskas. – 2005.
5. Implementer of applied research study “Modelling of Agricultural and Rural Development Policy”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – I. Krisciukaitiene. – 2005.
6. Implementer of applied research study “Monitoring of Implementation of the LEADER Programme in Lithuania and Preparation of Guidelines for Effective Implementation of the Programme”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – Assoc. Prof. Dr. J. Caplikas. – 2005.
7. Implementer of outsourced research study “Modelling of Multifunctional Agriculture by Implementing Agricultural and Rural Development Policy”. Ordered by the Lithuanian Institute of Agrarian Economics. Supervisor – Assoc. Prof. Dr. V. Vitunskiene. – 2004.
8. Implementer of outsourced research study “Leader+ Programme Benchmarking”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – Assoc. Prof. Dr. V. Atkociuniene. – 2003.
9. Implementer of outsourced research study “Identification of the Extent of Poverty among Farmers and Measures of Poverty Reduction and Prevention”. Ordered by the Ministry of Agriculture of the Republic of Lithuania. Supervisor – Assoc. Prof. Dr. V. Vitunskiene. – 2002.

Monographs:

1. Treinys, M., Vaznonis, B. (2006). Jonas Aleksa – ūkininkų visuomenės Lietuvoje ugdytojas // Agrosocialinių mokslų ir studijų raida Lietuvoje = Jonas Aleksa – Educator of Agrarian Society in Lithuania // Development of Agro-Social Sciences and Studies in Lithuania. Monograph – Publishing-printing house “JUDEX”. – P. 432-496.
